BRICK CAMPAIGN
AT GATE 6

We *cherish*
its past...
Be a part
of its
future.

SANFORD STADIUM IS KNOWN NATIONALLY AS ONE OF THE most beautiful on-campus college football stadiums in the country.

Built in 1929 with a capacity of 30,000, it has seen a series of planned expansions which today allow for 92,746 to watch our beloved Bulldogs compete.

SANFORD STADIUM

In 2002, the Athletic Association embarked upon a series of renovations to Sanford Stadium's infrastructure which will benefit Georgia fans for years to come. The plaza at Gate 6 was one of the first of those renovations. The plaza provides fans and supporters an area in which to meet and to have access to concessions and restrooms, before entering the concourse and the stadium seating area. The focal point of the plaza is the beautifully designed brick area, underfoot just as you walk through the gates, with the "Georgia G" as its centerpiece.

The Sanford Stadium Brick Campaign at Gate 6

Without making a tackle or scoring a touchdown, Georgia supporters can now have an opportunity to be a real part of the tradition at Sanford Stadium through your participation in the Sanford Stadium Brick Campaign.

In recognition of a gift in support of the Sanford Stadium Brick Campaign, the Athletic Association will engrave your personalized message on a brick which will become a permanent part of the legend that is Sanford Stadium. Your brick can contain your name, a special date, display your Bulldog spirit, or pay tribute to a friend or loved one.

Display your Bulldog pride by becoming a part of the legend that Sanford Stadium represents. Your brick will symbolize your enduring support of the Bulldogs.

The Georgia Athletic Association thanks you.
