GEORGIA
BASEBALL

Dawg Nation,

As I reflect on my first season as the Ike Cousins Head Coach, I am proud of what we were able to accomplish as a team. The unwavering support given to Georgia baseball has been vital to our journey, and I can't wait to see where we can take this program together.

Your contributions to the Georgia Baseball Fund (GBF) and presence at Foley Field have made a remarkable difference. Because of you, we can enhance our facilities and create an environment where our student-athletes can thrive. With a strong roster of returning players and an impressive group of newcomers, our team is dedicated and ready for an exciting spring ahead.

As we look forward to 2025, I encourage you to consider making a gift to the GBF and completing your Georgia baseball ticket application. Your generosity allows our athletic department to provide our young men with a first-class experience during their time here at UGA.

On behalf of our coaching staff and student-athletes, thank you for your continued investment in our success. I look forward to seeing you at Foley Field.

Go Dawgs!

Wes Johnson

POWERHOUSE PACKAGE & RESEATING INFORMATION

The 2025 Powerhouse Package will include reserved ticket seating to all Southeastern Conference (SEC) home games. It will also include general admission seating for the opening series at Foley Field and Kennesaw State on April 29th. General admission will also be offered for purchase for all non-Powerhouse Package games.

Due to the far-reaching impact of the construction happening at Foley Field that affects current Powerhouse Package ticket holders, we will be conducting a full reseating ahead of the 2025 season. **Account holders will have until January 3, 2025, to make their required ticket payments and associated contributions to the Georgia Baseball Fund (GBF).** Those who make their ticket and contribution payments ahead of the January 3 deadline will be able to personally select their new seats at Foley Field via an online selection website.

The seat selection process will follow a model where both priority points and consecutive years of baseball season ticket purchases are taken into consideration. In an effort to prioritize current baseball ticket holders and the number of seats they hold, we will not be accepting any new ticket requests for the 2025 season.

How will the reseating process take place?

The Georgia baseball reseating process will take place via a 3-D seating diagram of Foley Field, developed by Ballena Technologies, Inc. As a leader in the field of venue visualization, UGA utilizes their platform for seat selection for football, men's and women's basketball, and gymnastics.

Donors who submit their ticket application and a GBF contribution of at least \$50 per-seat by the **January 3, 2025, deadline** will receive an email with their appointment date and time to select seats. Appointment times will be determined by cumulative TGBC priority point total and/or consecutive years of baseball season ticket purchases. At that time, donors will receive information on how to use the selection site.

FREQUENTLY ASKED QUESTIONS

1 Do I have to participate in the seat selection process?

YES! This process is **mandatory** in 2025. Anyone who requests Powerhouse Package tickets and makes the minimum required contribution will be given the opportunity to personally select new seats in Foley Field. If you miss your selection time, UGA Athletics will select seats for you at the conclusion of the selection process.

2 Am I able to request additional tickets in 2025?

In an effort to accommodate all current baseball ticket holders, we will not offer the ability to request new baseball tickets for 2025. This will provide the opportunity for all account holders to request the same number of seats they held in 2024.

3 Will there be multiple accounts selecting at the same time?

Yes, there will most likely be multiple members selecting seats at the same time as appointments times overlap.

4 What if I miss my appointment or am unavailable at my assigned appointment time?

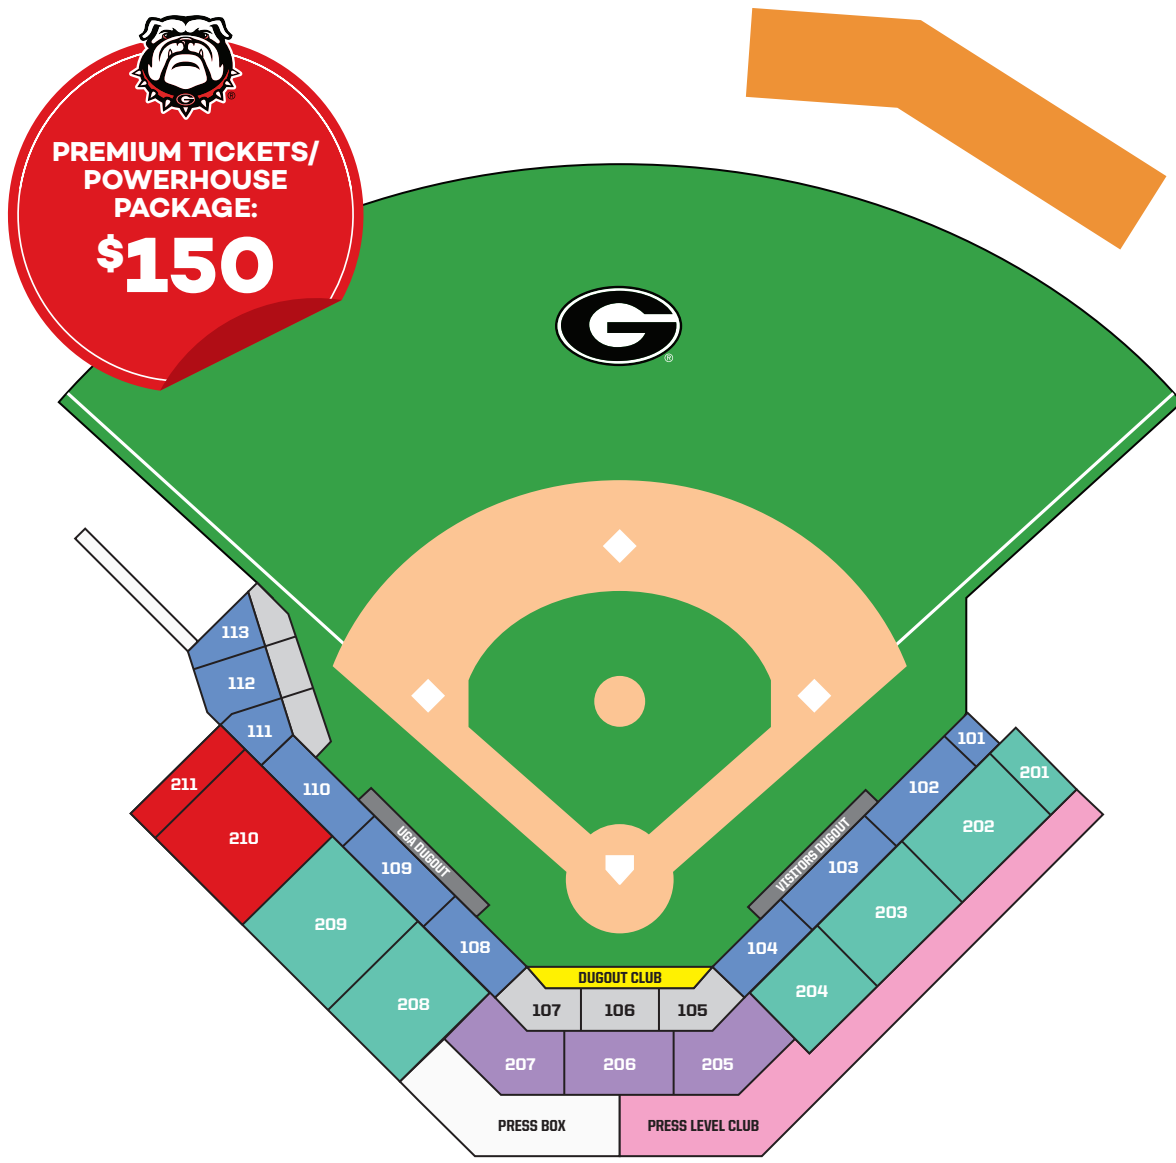

If you miss your time, you can log in at any point after your allotted time to make selections. Please note you will sacrifice your priority place in line if you miss your appointment time as others will be logging in for selection throughout the day. If you are not available for your appointment time, you can assign a proxy to select seats on your behalf. If you choose to do so, please email The Georgia Bulldog Club at bulldogclub@uga.edu so that we may assist that individual if questions arise during the appointment time.

5 Can I log in prior to my appointment time to look at open inventory?

Yes. Account holders will receive an email notification when the selection website is available for viewing. At that time, additional information will be provided on how to navigate the selection site. You will not be able to make any selections, but you will be able to see and track available inventory in real time.

SEAT SELECTION PROCESS

Seat Selection

There will be three options for selecting seats:

1. Online: All 2025 GBF donors who request tickets will have the opportunity to log on to the reseating website for the selection process. From the site, they will be able to personally select their seats.

2. By Phone, with a UGA Athletics Representative: The Georgia Bulldog Club staff will be prepared to assist you over the phone in selecting your seats at 706-542-1231.

3. In-person, at the Butts-Mehre Heritage Hall Ticket Office: If you wish to select your seats in-person, you may do so at Butts-Mehre Heritage Hall. Please arrive five minutes in advance of your appointment time so that a staff member can help you select your seats online.

If an account purchases tickets but misses their selection time, The Georgia Bulldog Club will select seats on behalf of the account at the conclusion of the seat selection process.

Note: If two or more customers want to select seats together, they must wait until the selection time of the customer with the lowest cumulative TGBC priority point total and/or consecutive years of baseball season ticket purchase to select.

Seat Selection Times

2025 GBF donors who request season tickets will be assigned seat selection times based on cumulative TGBC priority points and/or consecutive years of ticket purchases. Appointment times will be assigned as follows:

Selection Group 1: Account holders who request Powerhouse Package tickets and have 100,000 or more cumulative TGBC priority points

Selection Group 2: Account holders who request Powerhouse Package tickets and have 15 or more consecutive years of baseball season ticket purchases on the same account

Selection Group 3: Account holders who request Powerhouse Package tickets and have 50,000-99,999 cumulative TGBC priority points

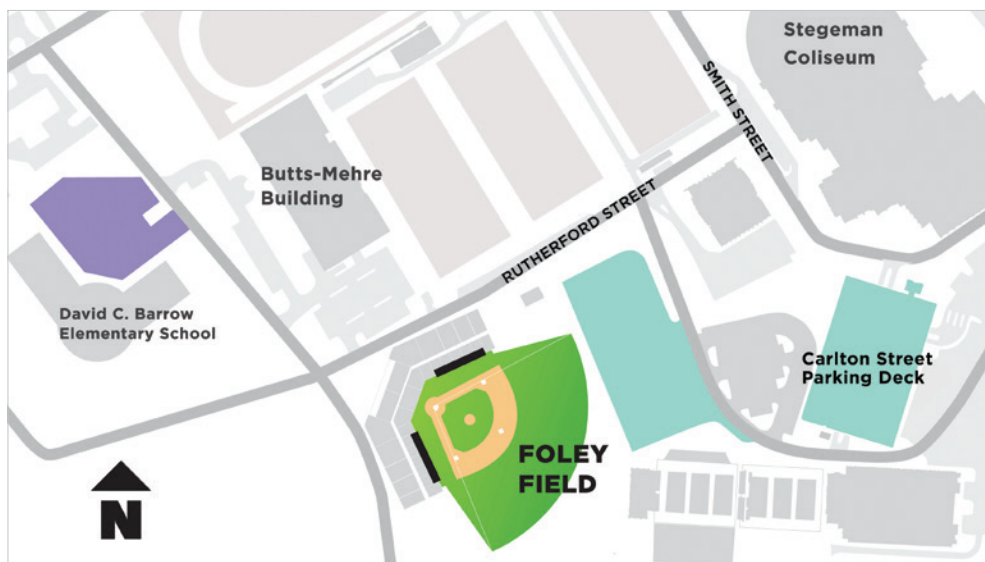

Selection Group 4: Account holders who request Powerhouse Package tickets and have 10-14 years of consecutive years of baseball season ticket purchases on the same account

Selection Group 5: Account holders who request Powerhouse Package tickets and have 49,999 or fewer cumulative TGBC priority points

Note: Donors will be categorized based on the highest selection group they qualify for. Consecutive years of baseball season ticket purchase is calculated through the 2024 season.
