POSTSEASON TICKETS REGIONAL/SUPER REGIONAL

**2021 Postseason:** These postseason ticket thresholds are based off of a full capacity seating model. Quantities are subject to change if a socially distanced seating model is required due to COVID-19.

**Reserved & Premium Seating:** If UGA were to host a Regional or Super Regional, baseball postseason ticket locations are assigned based on cumulative TGBC priority points and availability. The maximum number of tickets you can request is 8. The number of season tickets you have will be allocated first, and the remainder of your request will be processed based on availability.

**College World Series:** The following chart outlines the maximum number of College World Series (CWS) tickets that you may request based on your 2021 GBF contribution or your involvement with the Magill Society. CWS ticket locations are assigned based on priority and availability. Qualifying to request tickets **does not** guarantee assignment.

SCOTT STRICKLIN  
Ike Cousins Head Coach

Collegiate Athletics is at a pivotal time and it is more important than ever to prioritize the best student-athlete experience. As a **Georgia Baseball Fund** member, your investment in Georgia Baseball has a significant and direct impact on the success of our student-athletes and coaches. You assist in providing the necessary resources that enhance the student-athlete experience, including, but not limited to: scholarship support, training and nutrition, travel assistance, equipment upgrades, cost-of-attendance, and other budget relieving expenses.

In the classroom and on the field, Georgia student-athletes are always pushing themselves to be better than the day before. By contributing 10 percent more than you gave last year and participating in the **110% challenge**, you will help in supporting them with a first-class environment to pursue their academic, athletic, and personal goals.

Due to your generous support, we can provide our student-athletes with the resources necessary to succeed in the classroom, in competition, and life after UGA. We look forward to sharing memories with you at Foley Field in 2021!

## 2021 COVID-19 TICKETING PLAN

Amidst ongoing health concerns related to COVID-19, Foley Field will operate in a socially distanced, reduced capacity seating model. Seat blocks will be available in groups of 2 and 4. Tickets and parking passes (if applicable) will be distributed via mobile delivery. All fans will be required to wear a face covering for entrance into Foley Field and when moving about the concourse. Masks will be discretionary when seated in outdoor spaces.

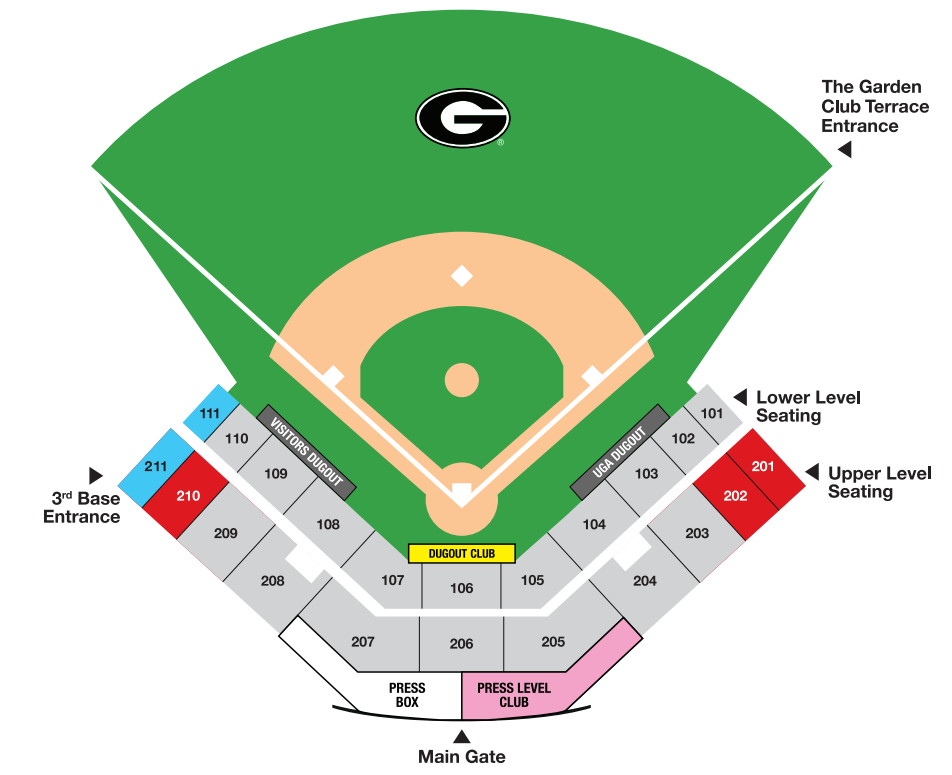

We will be unable to guarantee season tickets and/or your previous seat locations at this time. Pending demand and availability, we anticipate that the season could be broken up into multi-game packages. More information will be forthcoming once the GBF renewal process has completed.

The deadline to make your 2021 Georgia Baseball Fund contribution for priority seating opportunities is January 15th, 2021. **Please note that your decision to renew your 2021 GBF contribution and/or purchase tickets will not affect your ability to renew your seats from 2020 for the 2022 season.** As a result of limited capacity, we do not anticipate individual game or non GBF donor ticket availability this season.
