2022 **PRIORITY SEATING
GUIDE**

A MESSAGE FROM HEAD COACH MIKE WHITE

Dawg Nation,

Thank you for your past support of UGA Men's Basketball. Our coaches, staff, and student-athletes are grateful for all you do to push our program forward.

As I said when I first accepted the head coaching position here, the University of Georgia has a proud tradition, a strong brand, and an unbelievable community of supporters. I feel very blessed to be here with my family, and I am so excited about the upside of our program. Great things are going to happen for UGA Men's Basketball.

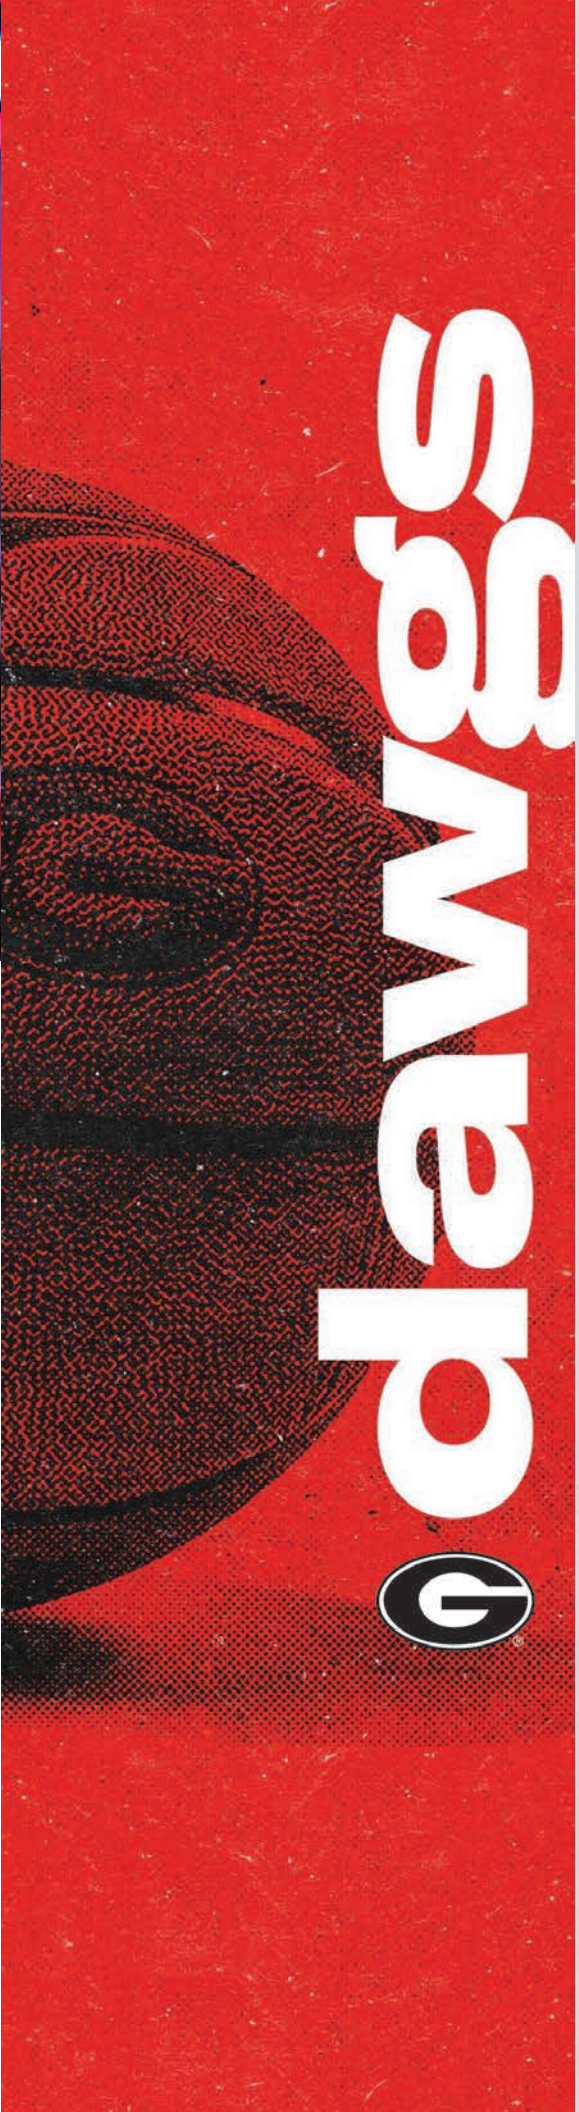

Since we arrived in Athens this spring, my coaching staff and I have hit the ground running, building strong relationships with the student-athletes on our current roster and recruiting talented young men to join our program. Our players are buying in to the culture of gratitude, truth, toughness, and loyalty that we seek to foster every day.

With the 2022-23 season approaching quickly, we hope you will consider giving to the Men's Basketball Fund (MBF) and purchasing season tickets. Your support makes a significant difference in the lives of our student-athletes, and we need your help to continue providing them with a first-class experience during their time at UGA.

Thank you for considering a gift in support of our young men. We appreciate all you do to invest in our success.

Go Dawgs!

Mike White
Head Men's Basketball Coach

With no state or university funding, UGA Athletics relies on private support to provide student-athletes from 21 varsity sports with a world-class experience. As student-athletes balance the time commitment necessary to compete for championships and the rigors of UGA's academic curriculum, additional resources are needed for them to excel in each area.

➤PRIORITY
POINTS

The Georgia Bulldog Club calculates your priority point total based on cumulative giving towards UGA Athletics. Members are ranked in order based on cumulative priority point total for ticket opportunities including renewable season, single home and neutral-site games, and all postseason competitions (if Georgia participates). This includes the SEC Men's Basketball Tournament and the NCAA Tournament. Neutral site ticket request opportunities for 2022 include the Sunshine Slam in Daytona Beach, Florida on November 21 and 22, and the game against Notre Dame at State Farm Arena in Atlanta on December 18. Additionally, MBF donors who contribute \$1,250+ and purchase at least one season ticket are eligible to receive a complimentary priority parking pass for home regular season games. In the event donors have the same priority point totals, tiebreakers are instituted by total lifetime giving to athletics.

OPTIONAL SEAT SELECTION PROCESS

3D Seat Virtual View

Open the camera app on your smartphone or tablet and scan this QR code to view a 3D map of Stegeman Coliseum.

In 2019, we implemented an interactive online Optional Seat Selection Process. This enables Men's Basketball Fund donors who purchase men's basketball season tickets with the opportunity to explore seat relocation via a web-based 3D map of Stegeman Coliseum, while also giving those who purchase new or additional season tickets the ability to personally select the location of these seats. **All season ticket selections through this process will be based upon availability, your cumulative TGBC priority points total, and applicable MBF per-seat minimums being met.**

All Men's Basketball Fund donors who are participating in the Optional Seat Selection Process will be able to login to the website prior to the start of the process in order to familiarize themselves with the site while also identifying potential inventory options that might be available and of interest leading up to their appointment times. We strongly recommend that you login to the site prior to your selection appointment time in order to plan for your potential seat selection.

FREQUENTLY ASKED QUESTIONS

- 1 If I am participating to potentially relocate and/or add season tickets, am I required to move or add seat(s)?**
No! If you login during your appointment time and do not see any desirable season ticket opportunities, you can exit the process or check out and maintain your seat locations from the 2021-22 season. If you previously paid for additional season tickets and do not wish to add any of the available seats, you can either receive a refund on the cost of the season tickets or have it applied towards your Men's Basketball Fund giving level for the 2023-24 season. Donations are non-refundable.
- 2 Do I have to participate in the seat selection process?**
Should you wish to maintain the same seat location(s) and quantity of season tickets that you had for the 2021-22 season, you do not have to participate in the Optional Seat Selection Process. **Important Note: The University of Georgia Athletic Association reserves the right to adjust seating locations to eliminate single seats in an effort to maximize seating capacity.**
- 3 What are my options if I am unavailable for my appointment time?**
If you are unavailable at the time of your appointment, you may either login after your allotted time or you may entrust your seat selection to an individual of your choosing. Should your designee need personal assistance over the phone, or in-person you will need to notify The Georgia Bulldog Club in writing ahead of time whom you have given authorization to make your selection.
- 4 What happens if I miss my selection appointment time?**
If you miss your time, you can login any time after your allotted time to make selections. Please note you will sacrifice your priority place in line if you miss your appointment time as others will be logging in for selection throughout the day.
- 5 Will there be multiple accounts selecting at the same time?**
Yes, please be aware that others will also be in the selection site at the same time due to members with earlier appointment times potentially taking more time to make their selections.
- 6 Can I login prior to my appointment time to look at open inventory?**
YES! We urge you to do so. You will receive a link to the Seat Selection website at the same time you receive your appointment time. You can login to the website at any point leading up to your selection. Please note you cannot make any selections, but you will be able to see and track available inventory in real-time.

While it is impossible to forecast 2022-23 priority point cutoffs for priority seating opportunities throughout Stegeman Coliseum, the following is a breakdown of priority point thresholds that were established for new adjacent seat acquisitions for the 2021-22 season based on supply and demand.

These figures are provided only as a point of reference as past cutoffs are not necessarily indicative of future opportunities. Season ticket availability is subject to change from season to season and is determined after the current season ticket holder renewal process and corresponding optional season ticket selection process is complete.
