2022 DONOR GUIDE

A MESSAGE FROM HEAD COACH KIRBY SMART

Dear Bulldog Nation,

Thank you for your unwavering support of UGA student-athletes. The 2021 season was one for the history books, and our football program could not have achieved all our successes without you. I know I speak for our entire Georgia Football family when I say how grateful we are for all you have done and continue to do for our program.

Your membership in The Georgia Bulldog Club (TGBC) allows us to invest in resources for over 500 Georgia student-athletes competing in 21 varsity programs. TGBC members support critical elements of the student-athlete experience such as scholarships, performance nutrition, travel, academic support, athletic training, mental health resources, and leadership development. When you give to the Hartman Fund, you are directly impacting the lives of current and future generations of UGA student-athletes.

Georgia Bulldog Club donors answered the call in record numbers during 2021. **Please consider renewing your support of the Hartman Fund this year so that we can solidify our tradition of sustained success for years to come.**

I am thankful to have such a wonderful community of supporters around our program. Please know how much your involvement means to me, my family, our football program, and the entire Athletic Association – we would not be where we are today without you.

Go Dawgs!

Renewing & Requesting New Season Tickets

A contribution to the 2022 Hartman Fund provides you with the opportunity to request renewable season, single home game, away and neutral site game and/or postseason tickets. Eligibility for season tickets at Sanford Stadium is a two-step process: a 2022 Hartman Fund contribution AND a season ticket payment.

Season Ticket Holders Renewing in 2022

- » The ability to make both your Hartman Fund contribution, season ticket payment, and/or any additional season ticket requests can now be completed at the same time. The deadline for both is **April 1st, 2022**.
- » Donations to the Hartman Fund, Victory Fund, Magill Society pledge payments, and any sport-specific or endowment gifts made through the April 1st, 2022 deadline will increase your priority point total for the optional football seat and parking selection process.
- » Seat locations selected in the 2021 Seat and Parking Selection Process will be renewable for the 2022 season.
- » UGAAA reserves the right to adjust seating locations to eliminate single seats in an effort to maximize seating capacity.

New Season Ticket Requests

- » Each section in Sanford Stadium has a per-seat contribution requirement. Making the per-seat contribution does not guarantee assignment in this section as assignment is based on **priority points and availability** at the time of your seat selection in Summer 2022. Both 2022 season ticket applications and Hartman Fund donations must be completed by **April 1st, 2022**.
- » Please make a contribution you are comfortable with, as **a donation does not guarantee assignment of new season tickets**.

Football Season	Priority Points of Last Patron Assigned New/Additional Season Tickets (2 Adjacent)

2020	550
2019	10,420
2018	23,900
2017	550
2016	1,201
2015	6,701
2014	1,001
2013	500
2012	500
2011	500

Members who request but do not receive season tickets will have the first opportunity to purchase any football mini-packages and/or single game tickets based on priority and availability.

Renewing & Requesting New Season Tickets

Both tickets and parking passes will be distributed via mobile delivery.

New Season Ticket Requests and Renewals (if desired) will participate in the Online Seat and Parking Selection Process in Mid-May 2022.

- » This is required for all donors who are requesting NEW season tickets and/or parking.
- » **If you do not wish to relocate your current seats and/or parking, you do not have to participate in the selection process.**
- » As a reminder, you retain the ability to renew the same seat locations that you held in the 2021 season.

During the online, self-selection process, you will have the ability to choose your seat location (pending availability). If you have the opportunity to select seats that have a higher per-seat requirement than what you have already paid towards the 2022 Hartman Fund, you will have the ability to secure these seats by paying the per-seat difference at the time of check-out. If you are unable to secure desirable seat locations or if no seat locations are available, you may request a refund on the cost of your season tickets or have this cost applied toward your 2023 Hartman Fund contribution by indicating this preference on your ticket application.

All 2022 Hartman Fund donors who purchase new football season tickets, and make the minimum per-seat donation for the number of new ticket(s) desired, will automatically receive an appointment time to be included in the seat and parking selection process. Requesting game tickets does not guarantee that you will receive them as assignments are based on priority points and availability.

If you have any questions about the Optional Seat & Parking Selection Process or how to better position yourself for your priority-based appointment time, contact us at **877-GA-DAWGS** or via email at **SEATS@sports.uga.edu**.

Relocating & Adding Season Tickets and/or Parking

In order to relocate and/or add season tickets, you must participate in the Online Seat & Parking Selection Process in Mid-May 2022.

How to Request Seat Relocation of Current Season Tickets and/or Parking

To be considered for relocation, you must click YES prior to checking out at the end of your online Season Ticket application, which must be submitted by the April 1st deadline.

If you would like to opt-in to the optional UGA Football seating and/or parking selection process, please check "YES" below. If you are satisfied with your current UGA Football seating and parking locations, please select "NO" below.

YES NO

*** If you do not select "YES", or select to not participate online, you waive your right to participate in the 2022 selection process.**

Should you have the opportunity to select seats in a higher per-seat gift requirement section and your current Hartman Fund contribution does not meet this minimum, you will have the opportunity to pay the difference during the online seat selection process. **Your current seat locations will remain in your account unless you specify a change during the check-out process of your selection time.**

How to Request Additional Season Tickets

Submit your season ticket application and ticket payment for additional season tickets by the April 1st deadline. In order to select additional seats during the online process, they must be paid for by the April 1st deadline. **You will NOT have the option to purchase additional seats during the process if you do not request and pay for the additional tickets on your application by the April 1st deadline.**

Please note this also applies for any per-seat donation required for additional tickets. (Minimum of \$275/seat).

If you have the opportunity to select seats that have a higher per-seat requirement than what you have already paid towards the 2022 Hartman Fund, you will have the ability to secure these seats by paying the per-seat difference at the time of check-out. If you are unable to secure desirable additional seat locations or if no additional seat locations are available, you may request a refund on the cost of your season tickets or have this cost applied towards your 2023 Hartman Fund contribution by indicating this preference on your ticket application. Hartman Fund donations are non-refundable. **Your current seat locations will remain in your account, unless you specify a change during the check-out process of your selection time.**

All 2022 Hartman Fund donors who purchase additional football season tickets and make the minimum per-seat donation for additional tickets (\$275/ticket) will automatically receive an appointment time to be included in the seat and parking selection process. Requesting game tickets does not guarantee that you will receive them as assignments are based on priority points and availability.

Online Seat & Parking Selection Process

The online site makes seat & parking selections easy

The web-based 3-D Seat & Parking virtual site will provide 2022 Hartman Fund donors who purchase football season tickets and wish to relocate or add new seats the opportunity to self-select seats from open inventory at their specified appointment time. From this site, members can see panoramic diagrams of stadium seating, view an instructional video on how to select, check available seats and parking lots, monitor other selections, and personally choose seat locations and/or parking at your appointment time.

All Hartman Fund donors who are participating in the optional selection process will be able to login to the website prior to the start of the process in order to familiarize themselves with the site while also identifying potential inventory that might be available leading up to your appointment time. We strongly recommend that you login to the site prior to your appointment time in order to plan for your potential selection.

The deadline for determining your overall priority points total, which dictates your rank and selection time, is April 1st. In May 2022, The Georgia Bulldog Club will be assigning appointment times and notifying all 2022 Hartman Fund donors who have indicated an interest in being a part of the selection process. Appointment times will occur every minute and donors will be logging in to the site consistently throughout each day of the selection process.

Ticket availability fluctuates from season to season.

Selection Time Options

Individual seat and parking selection may be completed in one of three ways:

- 1 Online: All donors may login to select your seats and/or parking. The site will provide donors with a 3-D view while selecting your seats. Selecting available seats online is very user-friendly and highly recommended.**
- 2 Online, with phone assistance from The Georgia Bulldog Club or Georgia Ticket Office.** We will be prepared to assist you over the phone in selecting your seats.
 - a. For questions the **DAY OF** your appointment time, call 706-542-1231: Option 1 for selection assistance.

We ask that you arrive five minutes prior to your appointment time, and a staff member will help you through the process. Paid parking will be available at the Carlton Street Parking Deck.**

Optional Seat & Parking Selection Process FAQ's

1 Do I have to participate in the seat and parking selection process?

No. Should you wish to maintain the same seat(s) & parking location and quantity of tickets that you had for the 2021 season, you do NOT have to participate in the optional seat & parking selection process.

2 What are my options if I am unavailable for my appointment time?

If you are not available during your appointment time, you may entrust your seat selection to an individual of your choosing. Should your designee need personal assistance over the phone or in-person, you will need to notify The Georgia Bulldog Club in writing ahead of time whom you have given authorization to make your selection.

3 What happens if I miss my appointment time?

If you miss your time, you are able to login any time after your appointment begins to make selections. Please note you will sacrifice your priority place in line if you miss your appointment time as others will be logging in for selection throughout the day.

4 Will there be multiple accounts selecting at the same time?

Yes, please be aware that others are likely to be in the selection site at the same time.

5 Can I set up my appointment time to be at the same time as a family or friend's account?

While we cannot adjust appointment times, you may choose to login at the same time as the account with the lowest priority point total to simultaneously select your seats and/or parking.

6 Can I login prior to my appointment time to look at availabilities?

YES! We urge you to do so. You will receive a link to the seat and parking selection website at the same time you receive your appointment time. You can login to the software at any point leading up to your selection. Please note you cannot make any selections, but you will be able to see and track availabilities in real-time as it gets closer to your appointment.

7 Who do I contact with questions about the Optional Seat Selection Process?

If you have any questions about the Optional Seat Selection Process, contact The Georgia Bulldog Club at 877-423-2947 or via email at SEATS@sports.uga.edu.

8 If I am participating to potentially relocate or add tickets, am I required to move or add seat(s)?

No. If you login during your appointment time and do not see any tickets you want, you can check out with your existing seats.

📌 Parking passes are now mobile!

The Georgia Bulldog Club is pleased to offer Hartman Fund members at the \$2,500 giving level or higher the ability to request a season parking pass. All 2021 parking pass holders will have the first right to maintain their existing parking location as long their Hartman Fund contribution is renewed at the \$2,500 level or above. All accounts who opt-in to the selection process, will have the ability to select based on priority and availability during the online Seat & Parking Selection Process. If parking is available to select and your current Hartman Fund contribution is less than \$2,500, you will have the opportunity to pay the difference at checkout.

NOTE: Due to campus construction, the availability of certain lots may change prior to assignments. Communication with impacted donors will be made in advance of assignments by The Georgia Bulldog Club. Starting this season, the Boyd/Grad Studies Lot will have significantly reduced capacity.

Game Tickets: Single Home, Away & Neutral Site

You do not need to be a football season ticket holder in order to request single home, away, or neutral site game tickets. The online single home, away and neutral site application will list all available games, as well as ticket quantities, for which a member is eligible to request based on cumulative TGBC priority points and either your 2022 Hartman Fund contribution and/or level of involvement in the Magill Society.

The following ticket charts outline the cumulative TGBC priority points necessary to be eligible to request tickets to a specific game and the total number of tickets you may request based on your 2022 Hartman Fund contribution and/or level of involvement in the Magill Society. Minimum cumulative priority point requirements to request tickets are established based on the anticipated number of tickets in UGA's inventory and high donor demand.

For record keeping purposes, it is important that the referral be made at the time of the new donation.
- Referral priority points do not count toward any annual per-seat giving requirement. They are strictly added as a credit to the member's cumulative TGBC priority points total.
- Point-credit will be added after the Hartman Fund deadline and will be visible in the cumulative TGBC priority point total prior to the football seating and parking priority allocation process.

Frequently Asked Questions

1 Why should I donate to The Georgia Bulldog Club?

Private support is essential to the success of UGA student-athletes and the UGA Athletic Association (UGAAA). UGAAA receives no financial assistance from the state of Georgia. It is a self-funded entity, solely dependent upon self-generated revenues to operate and provide student-athlete scholarships, build world-class athletic facilities and ensure UGA's tradition of athletic excellence continues to grow.

2 How do I become a member of The Georgia Bulldog Club?

You can become a member of The Georgia Bulldog Club (TGBC) by donating a minimum of \$100 to the Hartman Fund. In addition, there are a variety of other ways to support UGA Athletics by making contributions to the Women's Basketball Fund, Men's Basketball Fund, Gymnastics Endowment Fund, Georgia Baseball Fund, Magill Society, Endowment Program, Victory Fund, and via sport-specific giving opportunities.

3 What is the best way to increase my priority point ranking?

The best way to increase your cumulative TGBC priority point ranking is to join the Magill Society, which awards bonus priority points for commitments of \$25,000 or greater that are made payable over a 5-year period of time. Increasing your support to the Hartman Fund is also a great way to increase your priority point total and improve your ranking. Lastly, referring new TGBC and/or Magill Society members is another way to help grow the base of support towards UGA Athletics while also increasing your cumulative TGBC priority point total and ranking amongst our members.

4 How are away game football tickets allocated?

Away game ticket locations are dictated by the host school, and are allocated based on cumulative TGBC priority points whereas the number of tickets that a member is eligible to request is based on either your 2022 Hartman Fund donation or your level of commitment in The Magill Society. Please see page 14 for a full breakdown on our 2022 away game quantity cutoffs and priority point requirements.

5 Are my Hartman Fund contributions tax deductible?

Under the Tax Cuts and Jobs Act of 2017, no charitable deduction is allowed for amounts paid to the UGA Athletic Association after December 31, 2017 in exchange for the right to purchase season tickets for The University of Georgia home athletic events. Accordingly, in the absence of additional guidance from the Internal Revenue Service or the Department of Treasury, your seat-related contributions for home events are no longer tax-deductible. We recommend that you consult your tax advisor to determine the potential tax-deductibility for gifts made above and beyond your per-seat-related contributions.

6 How are season tickets & priority points handled in the event of a divorce?

As of 2020, The Georgia Bulldog Club has adopted the following divorce policy: In the event that a married couple, who jointly purchases season tickets, were to get divorced, couples have the opportunity to split season tickets and priority points into two separate accounts under each of the spouse's names upon providing a court ordered divorce decree with details of the ticket and points split. If the allocation of the season tickets and parking is not specifically addressed in a divorce decree, all priority points, season tickets and parking amassed during marriage will remain under the original account holder's name. This is a one-time account split, which must be completed after the divorce is finalized prior to the following season's ticket renewal deadline.
