2023-24 DONOR GUIDE

Bulldog Nation,

Thank you so much for your support of Georgia Women's Basketball. I am extremely excited for year two with this incredible community as we build on last year's NCAA Tournament appearance.

My primary motivation as coach remains to empower young women. Guiding these student-athletes towards personal growth and future leadership roles is the core of my purpose, and I feel incredibly privileged to do that at the University of Georgia.

As you've seen, my coaching staff wasted no time in hitting the ground running, and we remain dedicated to recruiting the next generation of Lady Dawgs who will proudly represent our colors. Throughout their time at UGA, our student-athletes will acquire invaluable skills in teamwork, receive an exceptional education, and exhibit unwavering determination in their play on the basketball court.

We invite you to join us at The Steg this fall to support our program as we set our sights on success in the SEC and on the national stage. By contributing to the Women's Basketball Fund (WBF) and requesting season tickets, you directly impact the lives of our Lady Dawgs.

We are thrilled to embark on this journey alongside you and want to express our sincere appreciation for your kind consideration of support.

Go Dawgs!

*K. ABE*

## RESERVED SEATS

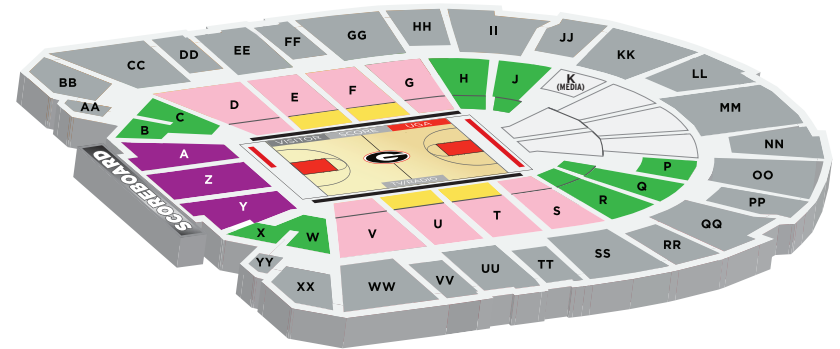

We offer a hybrid reserved season ticket model, which includes 6 different price points at Stegeman Coliseum based on location to enhance the experience for all of our Women's Basketball supporters and student-athletes. Each reserved seat and/or general admission section will have a required per-seat donation. All lower level season tickets will cost \$50 each plus a corresponding per-seat contribution. All upper level general admission season tickets will cost \$40 each with no per-seat contribution required.

All 2022-23 women's basketball season ticket holders will have the first right to renew their existing seats by meeting the necessary WBF and season ticket requirements by the 9/1 deadline.

## TICKET ASSIGNMENT PROCESS

**All donations and ticket requests will be due September 1.** New season ticket requests and renewals (if desired) will have the opportunity to participate in the Online Seat and Parking Selection Process in late September 2023. This is required for all donors who are requesting renewable season tickets and/or parking. If you do not wish to relocate your current seats and/or parking, you do not have to participate in the selection process. As a reminder, you retain the ability to renew the same seat locations that you held for the 2022-23 season. Those who request general admission sections (dictated via the season ticket application) will not need to participate in the seat selection process as these sections (highlighted in Green) will be available on game day on a first-come, first-served basis within those sections.
