**A MESSAGE
FROM
HEAD COACH
KIRBY SMART**

Dear Bulldog Nation,

Thank you for your tremendous support of our football student-athletes during the 2023 season. Your investment allows us to continue delivering a world-class experience for our young men and achieving success both on and off the field. On behalf of our entire Georgia Football family, thank you for your unwavering commitment to our program.

Your membership in The Georgia Bulldog Club (TGBC) helps us provide resources for over 500 UGA student-athletes competing in 21 varsity programs. TGBC members support important elements of the student-athlete experience such as scholarships, performance nutrition, travel, academic support, athletic training, mental health resources, and leadership development. When you give to the Hartman Fund, you are directly impacting the lives of both current and future Bulldog student-athletes.

Georgia Bulldog Club donors continue to step up every year. **Please consider renewing your support of the Hartman Fund in 2024 so that we can continue celebrating victories with you for many seasons to come.**

I continue to be amazed and exceptionally grateful for the incomparable support we receive from our UGA community. Please know how much your involvement means to me, my family, our football program, and the entire Athletic Association – we would not be where we are today without you.

Go Dawgs!

▣ Parking passes are now mobile!

The Georgia Bulldog Club is pleased to offer Hartman Fund members at the \$2,500 annual giving level or higher the opportunity to request a season parking pass. All 2023 parking pass holders will have the first right to maintain their existing parking location as long as their Hartman Fund contribution is renewed at the \$2,500 level or above. All accounts who opt-in to the selection process will have the ability to explore parking opportunities based on priority and availability during the Online Seat & Parking Selection Process. If parking is available to select and your current Hartman Fund contribution is less than \$2,500, you will have the opportunity to pay the difference at checkout. Donors at the \$10,000 Hartman Fund giving level and above will have the ability to request a second parking pass after all \$2,500 donors have selected their first parking location.

NOTE: Due to campus construction, the availability of certain lots may change prior to assignments. Communication with impacted donors will be made in advance of the Online Seat and Parking Selection Process. For the 2024 season, Boggs Hall Lot and North Hull Street Lot will no longer be available for gameday parking.

Renewing & Requesting Season Tickets

A contribution to the 2024 Hartman Fund allows you to request renewable season, single home, away, neutral site, and/or postseason tickets. Eligibility for season tickets at Sanford Stadium is a two step process: making a 2024 Hartman Fund contribution AND a season ticket payment.

Season Ticket Holders Renewing in 2024

- » Hartman Fund contributions, season ticket payments, and/or additional season ticket requests can be completed at the same time. The deadline for contributions and season ticket payments is **April 1, 2024**.
- » Donations to the Hartman Fund, Victory Fund, Magill Society pledge payments, and any sport-specific or endowment gifts made through the April 1, 2024 deadline will increase your priority point total for better positioning in the Online Seat and Parking Selection Process.
- » 2023 UGA Football season ticket holders have the first right to renew existing season ticket locations for the 2024 season.
- » UGAAA reserves the right to adjust seating locations to eliminate single seats in an effort to maximize seating capacity.

New Season Ticket Requests

- » Each section in Sanford Stadium has a per-seat contribution requirement. Making the per-seat contribution does not guarantee assignment in this section as assignment is based on **priority points and availability** at the time of your seat selection in May 2024.
- » Both 2023 season ticket applications and Hartman Fund donations must be completed by **April 1, 2024**.
- » Please make a contribution you are comfortable with since **a donation does not guarantee assignment of new season tickets**.

Members who request but do not receive season tickets will have the first opportunity to purchase any football mini-packages and/or single game tickets based on priority and availability.

Football Season	Priority Points of Last Patron Assigned New/Additional Season Tickets (2 Adjacent)

Renewing & Requesting Season Tickets

Both tickets and parking passes will be distributed via mobile delivery.

New Season Ticket Requests and Renewals (if desired) will participate in the Online Seat and Parking Selection Process in Mid-May 2024.

- » This process is required for all donors who are requesting NEW season tickets and/or parking.
- » **If you do not wish to relocate your current seats and/or parking, you do not have to participate in the selection process.**
- » **All 2024 Hartman Fund donors who request new football season tickets and make the minimum per-seat donation for the number of new ticket(s) desired will automatically receive an appointment time to be included in the optional Online Seat and Parking Selection Process. Requesting game tickets does not guarantee that you will receive them as assignments are based on cumulative TGBC priority points and availability.**

During the online self-selection process, you will have the ability to choose your seat location based on available inventory.

- » If you have the opportunity to select seats that have a higher per-seat contribution requirement than what you paid towards the 2024 Hartman Fund, you can still secure these seats by paying the per-seat difference at the time of check-out.
- » If you are unable to secure desirable seat locations or if no seat locations are available, you may either request a refund on the season ticket cost or have this cost applied toward your 2025 Hartman Fund contribution by indicating this preference on your ticket application. Donations are not refundable.

⚠ If you have any questions about the Online Seat & Parking Selection Process or how to better position yourself for your priority-based appointment time, contact us at 706-542-1231 or via email at bulldogclub@uga.edu.

How to Request Relocation of Current Season Tickets or Parking

To be considered for relocation, you must click YES prior to checking out at the end of your online season ticket application, which must be submitted by the April 1st deadline.

OPTIONAL SEAT SELECTION PROCESS

If you would like to opt-in to the Optional Football seating and/or parking selection process, please select "YES". If you are satisfied with your current football seating and parking locations, please select "NO".</div>	<div>Select</div>

 * If you do not select "YES", or select to not participate online, you waive your right to participate in the 2024 selection process.

If you select seats in a higher per-seat gift requirement section than your current Hartman Fund contribution level, you can pay the difference during the Optional Seat and Parking Selection Process. **Your current seat locations will remain in your account unless you specify a change during the check-out process.**

How to Request Additional Season Tickets

To add season tickets for the 2024 season, submit your season ticket application and ticket payment for additional season tickets by the April 1st deadline. **You will NOT have the option to purchase additional seats during the process if you do not request and pay for the additional tickets on your application.** Please note you must also make any per-seat donation required for additional tickets. (Minimum of \$275/seat).

If you select seats that have a higher per-seat requirement than your 2024 Hartman Fund contribution, you can pay the per-seat difference at the time of check-out. If you are unable to secure desirable additional seat locations or if no additional seat locations are available, you may either request a refund on the season ticket cost or have this cost applied towards your 2025 Hartman Fund contribution by indicating this preference on your ticket application. Hartman Fund donations are non-refundable. **Your current seat locations will remain in your account unless you specify a change during the check-out process.**

All 2024 Hartman Fund donors who request additional football season tickets and make the minimum per-seat donation for additional tickets (\$275/ticket) will automatically receive an appointment time to be included in the optional Online Seat and Parking Selection Process. Requesting game tickets does not guarantee that you will receive them as assignments are based on cumulative TGBC priority points and availability.

Online Seat & Parking Selection Process

The online site makes seat & parking selections easy!

The web-based, 3-D seat and parking virtual site allows 2024 Hartman Fund donors who purchase football season tickets with the opportunity to self-select seats from open inventory at their specified appointment time. From this site, members can see panoramic diagrams of stadium seating, view an instructional video on how to select, check available seats and parking lots, monitor other selections, and personally choose seat locations and/or parking at their appointment time.

All Hartman Fund donors who are participating in the Online Seat and Parking Selection Process will be able to log in to the website prior to the start of the process to familiarize themselves with the site while also identifying potential inventory leading up to their appointment time. **We strongly recommend that you log in to the site prior to your appointment time to plan for your potential selection.**

The deadline for determining your overall cumulative TGBC priority point total, which dictates your ranking and selection time, is April 1st. In May 2024, The Georgia Bulldog Club will assign appointment times and notify all 2024 Hartman Fund donors who have opted in to the selection process approximately one week before selections begin. Appointment times will overlap, and donors will be logging in to the site consistently throughout each day of the selection process.

Single Home, Away & Neutral Site Ticket Requests

You do not need to be a football season ticket holder in order to request single home, away, or neutral site game tickets. The online single home, away and neutral site application will list all available games, as well as ticket quantities, which a member is eligible to request based on cumulative TGBC priority points and their 2024 Hartman Fund contribution and/or commitment level in the Magill Society.

The following ticket charts outline the cumulative TGBC priority points necessary to be eligible to request tickets to a specific game and the total number of tickets that can be requested based on an account's 2024 Hartman Fund contribution and/or commitment level in the Magill Society. Minimum cumulative TGBC priority point requirements to request tickets are established based on the anticipated number of tickets in UGA's inventory and high donor demand. The ability to request game tickets does not guarantee assignment.

Leadership Giving

The Magill Society serves as the leadership fundraising entity under The Georgia Bulldog Club. This group is philanthropic in nature with its members invested in the success of UGA student-athletes.

Prior to 2022, Magill Society contributions focused solely on funding facility improvements within UGA Athletics. In the ever changing landscape of college athletics, The Georgia Bulldog Club now prioritizes donations to “People, Places, and Programs” by counting all major gifts of \$25,000 or more to a qualified UGA Athletics philanthropic fund towards Magill Society membership. Whether a gift to capital project improvements, scholarship endowments, or programmatic funds, all athletics major gifts at this level and above will qualify a donor for five years of membership.

Magill Society Membership:

- » Commitments of \$25,000 or more paid over a 5-year period (above and beyond Hartman Fund contributions)
- » Access to an exclusive stewardship program
- » Opportunity to earn bonus priority points

NOTES:

- At the time of donation, the new member must submit either a Refer A Bulldog form (located online at www.thegeorgiabulldogclub.com) or submit the current member name and account number when donating online. For record keeping purposes, it is important that the referral be made at the time of the new donation.
- Referral priority points do not count toward any annual per-seat giving requirement. They are simply added as a credit to the member’s cumulative TGBC priority points total.
- Point credit will be added after the Hartman Fund deadline and will be visible in the cumulative TGBC priority point total prior to the football seating and parking priority selection process.

Frequently Asked Questions

- 1

Why should I donate to The Georgia Bulldog Club?

Private support is essential to the success of UGA student-athletes and the UGA Athletic Association (UGAAA). UGAAA receives no financial assistance from the state of Georgia. It is a self-funded entity, solely dependent upon self-generated revenues to operate and provide student-athlete scholarships, build world-class athletic facilities, and ensure UGA’s tradition of athletic excellence continues to grow.
- 2

How do I become a member of The Georgia Bulldog Club?

You can become a member of The Georgia Bulldog Club (TGBC) by donating a minimum of \$100 to the Hartman Fund. In addition, there are a variety of other ways to support UGA Athletics by making contributions to the Women’s Basketball Fund, Men’s Basketball Fund, Gymnastics Excellence Fund, Georgia Baseball Fund, Magill Society, Endowment Program, Victory Fund, and sport-specific giving opportunities.
- 3

What is the best way to increase my priority point ranking?

The best way to increase your cumulative TGBC priority point ranking is to join the Magill Society, which awards bonus priority points for commitments of \$25,000 or more that are made payable over a 5-year period of time. Increasing your support to the Hartman Fund is also a great way to increase your priority point total and improve your ranking. Lastly, referring new TGBC and/or Magill Society members is another way to help grow the base of support towards UGA Athletics while also increasing your cumulative TGBC priority point total and ranking amongst our members.
- 4

How are away game football tickets allocated?

Away game ticket locations are dictated by the host school, and are allocated based on cumulative TGBC priority points. The number of tickets that a member is eligible to request is based on either their 2024 Hartman Fund donation or their level of commitment in the Magill Society. Please see page 14 for a full breakdown on our 2024 away game quantity cutoffs and priority point requirements.
- 5

Are my Hartman Fund contributions tax deductible?

Under the Tax Cuts and Jobs Act of 2017, no charitable deduction is allowed for amounts paid to the UGA Athletic Association after December 31, 2017 in exchange for the right to purchase season tickets for The University of Georgia home athletic events. Accordingly, in the absence of additional guidance from the Internal Revenue Service or the Department of Treasury, your seat-related contributions for home events are no longer tax-deductible. We recommend that you consult your tax advisor to determine the potential tax-deductibility for gifts made above and beyond your per-seat-related contributions.
- 6

How does NIL impact the Hartman Fund?

Giving to the Hartman Fund and supporting NIL are independent of one another, although both directly impact the experience of UGA student-athletes. If you are interested in supporting NIL, please contact The Georgia Bulldog Club at 706-542-9220.
