If gifting a stock certificate, do not have the stock certificate put in the name of the specific fund (i.e., William C. Hartman, Jr. Fund). It should remain in the name of the donor. Please call Stephanie Ransom at 706-542-1306 for further instructions if this method is used.

The UGA Athletic Association will sell the stocks upon receipt, in order to convert them to other types of assets. The value of the gift to the specific fund is determined by the average of the "High" and the "Low" of the stock gift on the date it is delivered into our account.

For gifts or charitable contributions made by transfer of securities, please include **Donor Name** and **UGA Athletics Account Number**, name of stock, number of shares and benefitting fund. This will ensure donors are properly credited and receipted for their gifts, and ensure the proper UGA Athletics annual fund benefits from the gift. Please contact Sean Chatham at schatham@sports.uga.edu with any questions.

Thank you - Go Dawgs!
