**2026** DONOR GUIDE

A MESSAGE  
FROM  
HEAD COACH  
KIRBY SMART

Dear Bulldog Nation,

Thank you for your incredible support of our football student-athletes throughout the 2025 season. Your contributions to the William C. Hartman Fund help us deliver a world-class experience for our young men as they pursue excellence both athletically and academically. On behalf of our entire Georgia Football family, thank you for your continued commitment to our program.

Your membership in The Georgia Bulldog Club (TGBC) helps us provide resources for over 500 UGA student-athletes competing in 21 varsity programs. TGBC members directly support the student-athlete experience by investing in areas such as scholarships, academic support, medical care, nutrition, and life skills programming. When you give to the Hartman Fund, you are making a significant difference in the lives of both current and future Bulldog student-athletes.

Georgia Bulldog Club donors are exceptional in the way they diligently support UGA every year. **Please consider renewing your support of the Hartman Fund in 2026 so that we can continue our championship tradition of UGA Athletics.**

I am humbled by the tremendous support we receive from the UGA community every year. Please know how much your involvement means to me, my family, our football program, and the entire Athletic Association.

We would not be where we are today without you, and your continued investment in our program will allow us to achieve even greater things as we look ahead to the 2026 campaign.

Thank you again for your support and Go Dawgs!

# Game Day Parking

The Georgia Bulldog Club is pleased to offer Hartman Fund members at the \$1,500 annual giving level or higher the opportunity to request a season parking pass. All 2025 parking pass holders will have the first right to maintain their existing parking location as long as their Hartman Fund contribution is renewed at the minimum contribution requirement for their current parking location. All accounts who opt in to the selection process will have the ability to explore parking opportunities based on priority and availability during the Online Seat & Parking Selection Process. If parking is available to select and your current Hartman Fund contribution is less than the required minimum for that parking area, you will have the opportunity to pay the difference at checkout. Donors at the \$10,000 Hartman Fund giving level and above will have the ability to request a second parking pass after all \$1,500 donors have selected their first parking location. Donors at the \$15,000 Hartman Fund giving level and above will have the opportunity to select two (2) parking passes at the same time, but only one pass can be in the Tier 1 parking category.

**NOTE:** Due to campus construction, the availability of certain lots may change prior to assignments. Communication with impacted donors will be made in advance of the Online Seat & Parking Selection Process.

# Renewing & Requesting Season Tickets

A contribution to the 2026 Hartman Fund allows you to request renewable season, away, neutral site, and/or postseason tickets. Eligibility for season tickets at Sanford Stadium is a two step process: making a 2026 Hartman Fund contribution AND a season ticket payment.

## Season Ticket Holders Renewing in 2026

- » Hartman Fund contributions, season ticket payments, and/or additional season ticket requests can be completed at the same time. The deadline for contributions and season ticket payments is **April 1, 2026**.
- » Donations to the Hartman Fund, Victory Fund, Magill Society pledge payments, and any sport-specific or endowment gifts made through the April 1, 2026, deadline will increase your priority point total for better positioning in the Online Seat & Parking Selection Process.
- » 2025 UGA Football season ticket holders who are in compliance with account guidelines have the first right to renew existing season ticket locations for the 2026 season as long as they meet their per-seat minimum contribution requirements by April 1, 2026.
- » 2025 UGA Football season ticket holders who do not meet their 2026 minimum contribution requirements by the April 1, 2026 deadline will not retain their 2025 seat locations.
- » UGAAA reserves the right to adjust seating locations to eliminate single seats in an effort to maximize seating capacity.

## New Season Ticket Requests

- » Each seat in Sanford Stadium has a contribution requirement. Making the per-seat contribution does not guarantee assignment in this area as assignment is based on **priority points and availability** at the time of your seat selection in May 2026.
- » Both 2026 season ticket applications and Hartman Fund contributions must be completed by **April 1, 2026**.
- » Please make a contribution you are comfortable with since **a donation does not guarantee assignment of new season tickets**.

Members who request but do not receive season tickets will have the first opportunity to purchase any football mini-packages and/or single game tickets based on priority and availability.

# Renewing & Requesting Season Tickets

**New Season Ticket Requests and Renewals (if desired) will participate in the Online Seat & Parking Selection Process in mid-May 2026.**

- » This process is required for all donors who are requesting NEW season tickets and/or parking.
- » **If you do not wish to relocate your current seats and/or parking, you do not have to participate in the selection process.**
- » **All 2026 Hartman Fund donors who request new football season tickets and make the minimum per-seat donation for the number of new ticket(s) desired will automatically receive an appointment time to be included in the Online Seat & Parking Selection Process. Requesting tickets does not guarantee that you will receive them as assignments are based on cumulative TGBC priority points and availability.**

During the online self-selection process, you will have the ability to choose your seat location based on available inventory.

- » If you have the opportunity to select seats that have a higher per-seat contribution requirement than what you gave to the 2026 Hartman Fund, you can still secure these seats by paying the per-seat difference at the time of checkout.
- » If you are unable to secure desirable seat locations or if no seat locations are available, you may either request a refund on the season ticket cost or have this cost applied toward your 2027 Hartman Fund contribution. Donations are not refundable.

# Online Seat & Parking Selection Process

**The online site makes seat & parking selections easy!**

The web-based, 3-D seat and parking virtual site allows 2026 Hartman Fund donors who purchase football season tickets with the opportunity to self-select seats from open inventory at their specified appointment time. From this site, members can see panoramic diagrams of stadium seating, check available seats and parking lots, monitor other selections, and personally choose seat locations and/or parking at their appointment times.

Participating accounts will be able to select their seats from a mobile device, tablet, laptop, or desktop computer. Detailed, step-by-step instructions about using the seat selection site will be made available at [thegeorgiabulldogclub.com](http://thegeorgiabulldogclub.com) closer to the selection process.

All Hartman Fund donors who are participating in the Online Seat & Parking Selection Process will be able to log in to the website prior to the start of the process to familiarize themselves with the site while also identifying potential inventory leading up to their appointment times. **We strongly recommend that you log in to the site prior to your appointment time to plan for your potential selection.**

The deadline for determining your overall cumulative TGBC priority point total, which dictates your ranking and selection time, is April 1, 2026. In May 2026, The Georgia Bulldog Club will assign appointment times and notify all 2026 Hartman Fund donors who have opted in to the selection process approximately one week before selections begin. Appointment times will overlap, and donors will be logging in to the site consistently throughout each day of the selection process.

# Relocating & Adding Season Tickets or Parking

## How to Request Relocation of Current Season Tickets or Parking

To explore seat or parking relocation, you must click YES to opt in to the seat selection process prior to checking out at the end of your online season ticket application. Applications must be submitted by the April 1, 2026 deadline.

If you select seats in a higher per-seat gift requirement section than your current Hartman Fund contribution level, you can pay the difference at checkout during the Online Seat & Parking Selection Process. **Your current seat locations will remain in your account unless you specify a change during the checkout process.**

## How to Request Additional Season Tickets

To add season tickets for the 2026 season, submit your season ticket application and ticket payment for additional season tickets by the April 1, 2026 deadline. **You will NOT have the option to purchase additional seats during the process if you do not request and pay for the additional tickets on your application.** Please note you must also make any per-seat contribution required for additional tickets. (Minimum of \$250/seat).

If you select seats that have a higher per-seat requirement than your 2026 Hartman Fund contribution, you can pay the per-seat difference at the time of checkout. If you are unable to secure desirable additional seat locations or if no additional seat locations are available, you may either request a refund on the season ticket cost or have this cost applied towards your 2027 Hartman Fund contribution. Hartman Fund donations are non-refundable. **Your current seat locations will remain in your account unless you specify a change during the checkout process.**

All 2026 Hartman Fund donors who request additional football season tickets and make the minimum per-seat donation for additional tickets (\$250/ticket) will automatically receive an appointment time to be included in the Online Seat & Parking Selection Process. Requesting tickets does not guarantee that you will receive them as assignments are based on cumulative TGBC priority points and availability.

## How to Select Your Seats

Individual seat and parking selection may be completed in one of three ways:

- 1 Online:** All donors may log in to select seats and/or parking. The site will provide donors with a 3-D view while selecting seats. Selecting available seats online is very user-friendly and highly recommended.
- 2 Online, with phone assistance from The Georgia Bulldog Club.** We will be prepared to assist you over the phone in selecting your seats. Please call us at 706-542-1231 for selection assistance.
- 3 In person at the UGA Athletics Ticket Office in Butts-Mehre Heritage Hall:** The Georgia Bulldog Club staff will be on site if you wish to select your seats in person. We ask that you arrive five minutes prior to your appointment time, and a staff member will help you through the process. Paid parking will be available at the Carlton Street Parking Deck.

# Online Seat & Parking Selection Process FAQ's

## 1 Do I have to participate in the Online Seat and Parking Selection Process?

No. Should you wish to maintain the same seat(s), parking location, and quantity of tickets that you had for the 2025 season, you do NOT have to participate in the Online Seat & Parking Selection Process.

## 2 What are my options if I am unavailable for my appointment time?

If you are not available during your appointment time, you may entrust your seat selection to an individual of your choosing. Should your designee need personal assistance over the phone or in person, you will need to notify The Georgia Bulldog Club in writing ahead of time to whom you have given authorization to make your selection.

## 3 What happens if I miss my appointment time?

If you miss your time, you are able to log in any time after your appointment begins to make selections. Please note you will sacrifice your priority place in line if you miss your appointment time as others will be logging in for selection throughout the process.

## 4 Will there be multiple accounts selecting at the same time?

Yes, please be aware that others are likely to be in the selection site at the same time.

## 5 Can I set up my appointment time to be at the same time as a family member or friend's account?

While we cannot adjust appointment times, you may choose to log in at the same time as the account with the lowest priority point total to simultaneously select your seats and/or parking.

## 6 Can I log in prior to my appointment time to look at seating and parking availability?

YES! You will receive a link to the seat and parking selection website before the selection process begins. You can log in at any point leading up to your selection. Please note you cannot make any selections, but you will be able to see and track availabilities in real time as it gets closer to your appointment.

## 7 Who do I contact with questions about the Online Seat & Parking Selection Process?

If you have any questions about the Online Seat & Parking Selection Process, contact The Georgia Bulldog Club at 706-542-1231 or via email at bulldogclub@uga.edu.

## 8 If I am participating to potentially relocate or add tickets, am I required to move or add seat(s)?

No. If you log in during your appointment time and do not see any tickets you want, you can simply exit the selection site and retain your existing seat locations.

## 9 Can I access the selection site from my mobile phone or tablet?

Yes! Participating accounts will be able to access the seat selection site from a mobile device, tablet, laptop, or desktop computer.

# Away & Neutral Site Ticket Requests

You do not need to be a football season ticket holder to request away or neutral site game tickets.

The following ticket charts outline the cumulative TGBC priority points necessary to be eligible to request tickets to a specific game and the total number of tickets that can be requested based on an account’s 2026 Hartman Fund contribution and/or commitment level in the Magill Society. Minimum cumulative TGBC priority point requirements to request tickets are established based on the anticipated number of tickets in UGA’s inventory and high donor demand. **The ability to request game tickets does not guarantee assignment.**

## Away Game Tickets

Away game ticket requests are prioritized and allocated based on cumulative TGBC priority points within the sections that are provided to UGA by the host venue for distribution.

2026 Hartman Fund Contribution	OR	Magill Society	Alabama	Arkansas	Ole Miss	South Carolina
\$10,000+		\$100,000+	6	8	6	8
\$5,000-9,999		\$50,000-99,999	4	6	4	6
\$500-4,999		\$25,000 - 49,999	2	4	2	4
Cumulative TGBC priority points necessary to be eligible to request			150,000	10,000	125,000	10,000

## Away and Neutral Site Game Ticket Assignment Process

- » The online application for away and neutral site games will be made available in late May and is due June 26, 2026. All seating requests for away and neutral site games must be entered and submitted via the ticket application in your online account.
- » Away and neutral site game ticket locations are assigned based on cumulative TGBC priority points and availability, while the quantity of tickets that you can request is based on your 2026 Hartman Fund gift or commitment level in the Magill Society. **Qualifying to request tickets does not guarantee assignment.**
- » After the allocation process is complete, TGBC will publish the priority point cutoffs. If you request and are assigned away and/or neutral site game tickets, you will receive them separately from your season tickets via mobile delivery.

# Single Home Game & Postseason Ticket Requests

## Single Home Game Tickets

New in 2026, single home game tickets will be made available during a tiered on-sale process beginning in mid-July. Donor selection dates will be prioritized based on Hartman Fund contribution level and/or Magill Society membership level. All accounts will have access to select up to 8 seats from a pick-your-own-seat map on the assigned day of their selection. Please note that we may not have additional seats available for every home game.

2026 Hartman Fund Contribution	OR	Magill Society	Selection Day
Champions Circle & Silver Circle			Day 1
\$10,000+		\$100,000+	Day 4
\$5,000-9,999		\$50,000-99,999	Day 8
\$100-4,999		\$25,000 - 49,999	Day 11

## Postseason Ticket Assignment Process

- » Your cumulative TGBC priority points determine if you are eligible to request tickets for postseason opportunities. The donation deadline to improve your priority point total or increase your ticket request limit for postseason is November 2, 2026.
- » In order to provide ample opportunities and be consistent with home game policies, each account will have access to no more than 4 tickets in any club areas at postseason venues. All additional tickets above and beyond those 4 will be allocated based on priority in non-club areas at the same time.
- » Postseason ticket request applications will be made available online to qualifying accounts in November.

2026 Hartman Fund Contribution	OR	Magill Society	SEC Championship & Peach Bowl	All Other CFP Games	All Other Bowl Games
\$10,000+		\$100,000+	6	6	8
\$5,000-9,999		\$50,000-99,999	4	4	8
\$500-4,999		\$25,000-49,999	2	2	8
Cumulative TGBC priority points necessary to be eligible to request			70,000	10,000	100

## Home Playoff Game

- » If UGA hosts a CFP first round game, 2026 season ticket holders will have the first right to purchase their same seat locations for that game.
- » Season ticket holders will have the opportunity to either purchase all the seats on their account or decline tickets. For example, if a season ticket holder has four regular season tickets on their account, they will be required to purchase all four tickets for the home playoff game.
- » Once the season ticket holder request process is complete, any remaining inventory will be made available to Hartman Fund and Magill Society donors with tiered on sale windows determined by giving level.

# Priority Guidelines: Georgia/Florida

### New Locations for 2026 & 2027

As EverBank Stadium completes their stadium renovation over the next two years, the Georgia-Florida game will be relocated to Mercedes-Benz Stadium in Atlanta for the 2026 season and Raymond James Stadium in Tampa, Florida for the 2027 season.

For the 2026 Georgia/Florida game in Atlanta, ticket and parking allotments will change significantly from what they have traditionally been:

- » Overall ticket allotment will be reduced by 14%
- » Club ticket allotment will be reduced by 60%
- » Parking allotment will be reduced by 25%
- » Ticket prices will range from \$105 to \$930

### Priority Point Requirements

Your cumulative TGBC priority points determine if you are eligible to request tickets to the neutral site game against Florida. The number of tickets that you are eligible to request is based on your 2026 Hartman Fund gift and/or commitment level in the Magill Society as depicted in the chart below. **Requesting tickets doesn't guarantee you will receive them as assignments are based on cumulative TGBC priority points and availability.** You do not need to be a season ticket holder to be eligible to request tickets.

In order to provide ample opportunities and be consistent with home game policies, each account will have access to no more than 4 tickets in any club areas at neutral site venues. All additional tickets above and beyond 4 will be allocated based on priority in non-club areas at the same time.

### Georgia/Florida Parking

- » 2026 Hartman Fund members who contribute \$5,500 or more annually and receive Georgia/Florida tickets through the Athletic Association have the opportunity to request a complimentary parking pass for the game.
- » 2026 Hartman Fund members who contribute \$10,000 or more annually and receive Georgia/Florida tickets through the Athletic Association have the opportunity to request a second complimentary parking pass.
- » All parking passes for the Georgia/Florida game are free of charge and assigned based on cumulative TGBC priority points and availability as dictated by the host venue each year.
- » **Parking lot inventory and assignments are subject to change each year.**

# Leadership Giving

The Magill Society serves as the leadership fundraising entity under The Georgia Bulldog Club. This group is philanthropic in nature with its members invested in the success of UGA student-athletes.

Prior to 2022, Magill Society contributions focused solely on funding facility improvements within UGA Athletics. In the ever changing landscape of college athletics, The Georgia Bulldog Club now counts all major gifts of \$25,000 or more to a qualified UGA Athletics philanthropic fund towards Magill Society membership. Whether a gift to capital project improvements, scholarship endowments, or programmatic funds, all athletics major gifts at this level and above will qualify a donor for five years of membership.

### Magill Society Membership:

- » Commitments of \$25,000 or more paid over a 5-year period (above and beyond Hartman Fund contributions)
- » Access to an exclusive stewardship program
- » Opportunity to earn bonus priority points

# Frequently Asked Questions

## 1 Why should I donate to The Georgia Bulldog Club?

Private support is essential to the success of UGA student-athletes and the UGA Athletic Association (UGAAA). UGAAA receives no financial assistance from the state of Georgia. It is a self-funded entity, solely dependent upon self-generated revenues to operate and provide student-athlete scholarships, build world-class athletic facilities, and ensure UGA's tradition of athletic excellence continues to grow.

## 2 How do I become a member of The Georgia Bulldog Club?

You can become a member of The Georgia Bulldog Club (TGBC) by donating a minimum of \$100 to the Hartman Fund. In addition, there are a variety of other ways to support UGA Athletics by making contributions to the Women's Basketball Fund, Men's Basketball Fund, Gymnastics Excellence Fund, Steve Webber Baseball Fund, Georgia Softball Fund, Magill Society, Victory Fund, and sport-specific giving opportunities.

## 3 What is the best way to increase my priority point ranking?

The best way to increase your cumulative TGBC priority point ranking is to join the Magill Society, which awards bonus priority points for commitments of \$25,000 or more that are made payable over a 5-year period of time. Increasing your support to the Hartman Fund is also a great way to increase your priority point total and improve your ranking.

## 4 How are away game football tickets allocated?

Away game ticket locations are dictated by the host school and are allocated based on cumulative TGBC priority points. The number of tickets that a member is eligible to request is based on either their 2026 Hartman Fund donation or their commitment level in the Magill Society. Please see page 14 for a full breakdown on our 2026 away game quantity cutoffs and priority point requirements.

## 5 Are my Hartman Fund contributions tax deductible?

Under the Tax Cuts and Jobs Act of 2017, no charitable deduction is allowed for amounts paid to the UGA Athletic Association after December 31, 2017 in exchange for the right to purchase season tickets for University of Georgia home athletic events. Accordingly, in the absence of additional guidance from the Internal Revenue Service or the Department of Treasury, your seat-related contributions for home events are no longer tax-deductible. We recommend that you consult your tax advisor to determine the potential tax-deductibility for gifts made above and beyond your per-seat-related contributions.

## 6 How does NIL impact the Hartman Fund?

Giving to the Hartman Fund and supporting NIL are independent of one another, although both directly impact the experience of UGA student-athletes. If you are interested in supporting NIL, please contact The Georgia Bulldog Club at 706-542-1231.
